Cabrera Bay, watching

what a great chef! Each meal outdid the last...  
and with 4 teen-ages - we have a lot of picky-eaters!

Valerie, your home is so warm and welcoming  
and we will never forget our stay here. The design  
of the many 'window-walls' makes this house  
so spectacular... a view at every turn!

We certainly hope to return.....

May God Bless all who work so hard to  
make our stay so enjoyable!
